MUMBAI—JAIPUR PINK CITY EXPRESS

Our location under the railway arches in Battersea is a constant reminder for us of the amazing food one experiences on the very long train journeys in India. It has also been our source of inspiration while putting together the Bar Menu for here (our newest Cinnamon Kitchen at Battersea Power Station.) The dishes are extracted from some of the prominent stops on the Mumbai—Jaipur route, one of the very best train routes from any foodie's point of view.
