WINE & SPICE
THE CINNAMON CLUB PHILOSOPHY

When The Cinnamon Club opened its doors in 2001, Vivek Singh and Laurent Chaniac set out to challenge a long-held belief: that wine and Indian spices were incompatible.

What they created instead was a pioneering philosophy. Wine & Spice that redefined the rules of pairing.

Vivek's bold, contemporary Indian cuisine, layered with complexity and nuance, found its perfect counterpart in Laurent's imaginative wine selections. Together, they proved that with care and curiosity, wine could not only complement spice, it could elevate it. From aromatic whites that soften heat to structured reds that echo earthy masalas, every pairing was a revelation.

Laurent, a French sommelier with a deep love for Indian flavours, became a master of this delicate art. His belief that "there is a wine for every dish and a dish for every wine" became the guiding principle of The Cinnamon Club's wine programme. Their collaborative tasting dinners and curated pairings became legendary, inspiring chefs and sommeliers across the UK.

Today, the Wine & Spice philosophy lives on - an enduring tribute to our shared vision. It's not just about matching flavours; it's about storytelling, craftsmanship, and the joy of discovery.
